

3T RPD® Ltd

Corporate and Cultural Values

We strive to create a company ethos and working environment built on strong Corporate and Cultural values. We believe that the continued success of 3T® is driven by the skills and attitudes of the people we have carefully selected, and this enables us to retain a team of committed, professional individuals.

In recognition of our commitment to quality and excellence, we have obtained ISO 9001:2000, ISO 13485:2003 Medical Devices and AS 9100 Rev C for the production of metal parts using Additive Manufacturing (AM)

1. Corporate values

We always strive for excellence for ourselves and our customers

We vigorously develop a high quality output

Teamwork: We succeed as a team

Individual development is very important

Work Hard and Have Fun

We seek a good work/ life balance

We are a highly innovative company

Compete hard but fairly

2. Individual values

We maintain the highest levels of honesty and integrity

We are self motivated and use our initiative to satisfy customer requirements

We take responsibility for our own actions

We strive to develop excellent team and individual working

Ask if in doubt or need help

We are all responsible to the company and the team

3. Conduct

We have a disciplined approach to our work and decision-making

We treat other team members with respect and courtesy

4. Our Customers

They are our most valuable allies and friends

We think of a job for a customer as being one for our family

We keep them excellently informed, especially when things are going wrong

5. Purchasing

We aim for high quality but good value

Goods and services we purchase match our high quality image

6. Facility

We look after it as if it was our home

Its standard must reflect our high quality, practical image
